SUPERINTENDENT'S REPORT

To the School Board and Citizens of Easton:

The total enrollment in your school last year was 16, with an average membership of 13.81 and a percentage of attendance of 93.28%. There were only three tardinesses. The percent of attendance was much better than that of the previous year. There were three pupils attending Dow Academy.

The enrollment this year is 19, all in the first seven grades. There are two pupils attending Dow Academy and one attending Bethlehem High School. The enrollment next year will probably be increased to 22 or 23 pupils.

A hot dish is being served to all pupils at noon under the direction of Mrs. Bowles.

I have introduced this year the revision of the Elson-Grey reading system. This is one of the newest and most efficient reading systems in the country. New arithmetics have been purchased for grades three to six inclusive.

I wish to thank the members of the School Board for their cooperation during the past year.

Respectfully submitted,

F. Lester Trafton,

Superintendent of Schools
